Welcome Back To School!

Where did the summer go? I hope you all had a safe and productive summer full of relaxation and time spent with family and friends. This summer has brought great changes to our school, both in physical layout of the building and in new staff.

Physical Layout: Now that we have three administrators school-wide, we have three offices. The High School Office is now located where the old High School office once was, on the corner of the High School hallway nearest the bathrooms. The District Office, is now housed near the Event Entrance by the cafeteria, and the new Elementary Office will be located in the former District Office. We are diligently working on getting signs up to direct traffic those first few days back but once the dust settles our new layout should allow us to better and more efficiently serve our learning community.

New Staff: Besides the new administrative team the High School itself has three new teachers this year. Suz Peterson will be joining us as the 7th-8th grade Math teacher. Nick Zahler will be taking the reigns as our new Music Instructor. Trish Berger and Shawnda Jibben will be joining our Special Education department. Please stop by during our open house to welcome them to our school.

Speaking of that open house. We would love for you to join us Thursday, September 1st from 4:30-6:30pm for a school-wide open house. It will be a great opportunity to touch base with teachers, meet new staff, check out the new office layout, and prepare for the 2016-2017 school year. There will also be a brief orientation for incoming 7th graders and any students new to the High School at 5:30 that night in the small gymnasium.

I am honored to be the new High School (7-12) Principal at this amazing school and look forward to working with our students, parents, and staff to make it a stellar year. Please don't hesitate to stop by or call with questions or concerns. With change comes some fear of the unknown but please know that, with your help, I will do my best to act in the best interests of our school moving forward. Until then, enjoy the few remaining weeks of summer. See you soon!

Sincerely,

Gregg Campbell
High School (7-12) Principal
